## **DETAILED ACTION**

### ***Reasons for Allowance***

1. The following is an examiner's statement of reasons for allowance.

Referring to all of the independent claims, the prior art of record fails to anticipate or rendered obvious "a method for indicating a completion status of a media program comprising in combination – generating a separate graph of elapsed time versus running time for a first media program when a portion of the element corresponding to the first media program cannot be displayed within the plurality of time slots currently associated with the second axis, the graph indicating to a user the elapsed proportion of the first media program without requiring the user to refer to other portions of the EPG indicating a start time and an end time associated with the first media program", as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
